IRS TELEPHONE DIRECTORY for Practitioners

11/22/2010

The purpose of the IRS Telephone Directory for Practitioners is to assist members of the practitioner community as they attempt to resolve issues or concerns without circumventing normal channels that exist. Please note this information is only intended for tax professionals and is not to be shared with individual clients.

If you are unsure of who to contact or when to initiate a contact, an IRS Stakeholder Liaison can provide guidance and assistance. You can find your local liaison on IRS.gov, keyword search: "Stakeholder Liaison".
